- Investigates complaints on property values and works to correct inequities. Meets with property owners to discuss property values.
- Prepares a variety of records and reports including assessor data sheets and market research data.
- Provides appraisal and related information to the general public and other departments.
- Attends appraisal education and training seminars as required.

Knowledge, Skills, and Abilities (position requirements at entry):

- Appraisal practices and techniques;
- Building material, practices and terminology;
- State and local laws governing the assessment process;
- Geographic layout of the City.
- Ability to read and use GIS Maps and Data
- Property appraisal and assessment principles and practices;
- Collect and analyze information on cost and sales data;
- Prepares and maintains accurate records and reports;
- Establish and maintain effective working relationships with other employees and the public
- Use a variety of office equipment and related applications;
- Ability to read and analyze construction plans;
- Exercise substantial amount of independent judgment.

Judgment/Decision Making (4D):

- Develops objectives and general policies and procedures for a specific program or functional area of responsibility within general scope of established operational goals and plans.
- Day-to-day work and decisions do not require direction or review by immediate supervisor.
- Frequently solves complex problems. End results are reviewed by supervisor.

PROPERTY APPRAISER

- Strategic issues are referred to supervisor.
- Errors in judgment could significantly affect the operations of one or more line/s of business or operation/s.

RELATIONSHIPS

Leadership/Supervisory Responsibilities (2D):

- Lead worker over others in similar jobs and/or provide work leadership and direction for employees.
- Assist with training of other staff members.

Relation to Others (3D):

- Regular and substantial contact with others. Contacts usually involve discussions related to the interpretation of policies and/or programs. Contacts may include property owners, Realtors, Builders and the multiple levels of Board of Equalization process.
- May handle sensitive and/or complex information as supervisor allows.
- Assess and diffuses problem situations and requires influencing others to reach consensus.
- Explores alternative and creative solutions to meeting the needs of customers.
- Communication is generally one-on-one but may require small group presentations.
- May assist with media inquiries per request.

SKILLS

Education (5D) and Experience (4D): (position requirements at entry):

- Associates Degree plus specialized assessor training.
- Three to five years experience as Property Appraiser Technician or equivalent combination of education and experience sufficient to successfully perform the essential duties of the job.

Special Requirements:

- Valid Drivers License
- Class I City Assessor Certification – must obtain within three years of hire.
