IAAO (International Association Of Assessing Officers) BOOTH 1

IAAO is a nonprofit, educational, and research association. It is a professional membership organization of government assessment officials and others interested in the administration of the property tax. IAAO was founded in 1934, and now has a membership of more than 7,000 members worldwide from governmental, business, and academic communities.

PICTOMETRY INTERNATIONAL BOOTH 2

A revolutionary information system that lets you take virtual tours of properties with the click of a mouse. Pictometry's high-resolution digital images are primarily oblique (viewed from an angle) with traditional orthogonal (straight down) images. Oblique images provide for easier recognition of neighborhoods and buildings. You can measure square footage and areas of buildings, roads, utility assets, & properties without ever leaving your office.

TYLER TECHNOLOGIES, INC. BOOTH 3

Software and services that empower the public sector

THE SIDWELL COMPANY BOOTH 4

The Sidwell Company is an industry leader of GIS solutions for local government, municipal, utility, and commercial/private sector clients across the U.S.

VANGUARD APPRAISALS, INC. BOOTH 5

A well established mass appraisal/CAMA company with 51 years of field experience. We conduct complete property revaluations; establish land values and cost/market tables; do data input including sketch, photos, reports, & personal property - all integrated in one complete updated Windows-based property valuation computer system. We design, develop, and service all our appraisal & CAMA products.

EXHIBITORS
